- Senior Development Professionals

What I value most from large organizations set up to support schools like mine is providing relevant and actionable resources and that is exactly what Prizmah is doing. ... Prizmah has been gathering from school leaders and teachers what the most pressing issues are facing schools today and working hard to provide tools and resources to address those issues (vs issues that are not the most important). Thank you Prizmah for being so in touch with the real issues facing schools today.

—REBECCA LURIE
Head of School, Solomon Schechter Day School Boston
