

EDUCATING ABOUT ANTI-SEMITISM

The team at Prizmah: Center for Jewish Day Schools has curated a set of educational resources to support school leaders and their communities during the recent rise in anti-Semitism. These resources are focused on learning, connecting with our children, and steps we can each take. Please don't hesitate to reach out to [Debra Shaffer Seeman](#) for additional support in this area. If you have additional resources to add to this list, please share them with [Odelia Epstein](#).
