Numerous colleagues at The Epstein School, including myself, join the biweekly Prizmah calls (Admissions, Guidance Counselors, Development, Marketing/Communications) and find them to be the most beneficial networking calls we participate in. Each of these is a great gathering of like-minded people where we can connect in a non-judgmental and confidential community. The Prizmah team is very knowledgeable and great for making connections with other schools. They facilitate all of us sharing and growing as a day school community across the country and Canada.
