- Senior Development Professionals

Prizmah's support, whether it be through grants, professional development, or guidance through one-one-one coaching has enabled us to do the incredible work we set out to do - always. This year, in addition to the regular support available to the school, we were a recipient of COVID-19 Relief funds, enabling us to provide additional tuition assistance to our families who are struggling more than ever.

—LISA STROLL
Head of School, Denver Academy of Torah
