

PRINCIPAL

Yeshiva Har Torah, founded in 1989, is a warm, child centered, thriving, Centrist Orthodox Yeshiva for boys and girls, serving over 800 students. Located in Little Neck, NY, near the Queens/Long Island border, YHT continues to experience tremendous growth and has recently expanded its facilities to accommodate its growing needs. We seek a dynamic, experienced, growth oriented, collaborative educational leader, with excellent interpersonal skills and a forward-thinking approach, to serve as Principal, beginning July 1st, 2024. We will be looking for this candidate to lead with both vision and creativity, working with and inspiring our community of students, parents, and faculty.

The Principal of Yeshiva Har Torah will join our strong leadership team, working closely with our Head of School, Assistant Principals, Director of Early Childhood, Director of Psychology Services, and Director of Professional and Curricular Initiatives. He or she should embody the school's religious values and serve as a role model in the ideology of Torah U'madda, in philosophy and practice.

The ideal candidate should also possess:

- A proven track record as an educational leader and administrator with a deep understanding of pedagogy, and of mentoring and supervision of teachers and educational school leaders.
- Extensive knowledge of, and personal commitment to, Orthodox Jewish ideals, values, and practice, with an ability to consistently represent our school's mission through a Torah lens.
- An open and collaborative management and leadership style, comfortable soliciting input from others and making decisions effectively, and confidently.
- The ability to identify, attract, inspire, and develop top talent.
- Experience in Pre-K - 8 curriculum, knowledge of best practices and research-based approaches to learning and student development.

- Excellent written and oral communication skills, who can effectively serve as an ambassador and spokesperson for the school to the wider community and who can connect to and inspire students, faculty, and parents alike.
- Excellent interpersonal skills, with a warm, honest, and fair approach in dealing with others.
- An advanced degree in Education, Educational Administration, or other related fields.

The position will begin in July 2024. Salary will be commensurate with experience in addition to a comprehensive benefit package.
